Practice keyboards and pianos

The Mechelen-based branch of the Carillon School Jef Denyn has six carillon keyboards and four pianos. The students can also practice on these instruments after school hours.

School carillon

The carillon of Hof van Busleyden has 49 bells, which were cast in 1953 by Marcel Michiels Jr. Students can practice on this carillon.

St. Rumbold's Tower

The large carillon of St. Rumbold's Tower is used for classes, exams and concerts. Students in the third stage may also use the carillon of St. Rumbold's Tower for practice under certain conditions.

Departments

The **branches outside of Mechelen**

(<http://beiaardschool.mechelen.be/nl/4205/content/11702/afdelingen.html>) have a practice keyboard and a carillon. The practice keyboard is always available. The carillon may only be played according to the local regulations.
