

Queen Fabiola competition

The International Queen Fabiola Music Competition for Carillon is organised every five years. The **next competition** will be held 10 to 14 th of July 2019.

The five best candidates are selected on 10-11th of July during the preselections. They then compete for the first prize during the final on 13-14th of July

The competition without a doubt is **the most important in its kind**. It contributes to the recognition of carillon art as a high-level art form. It has the support of the Government of Flanders, the Province of Antwerp and the City of Mechelen. Queen Fabiola was its patron.
